

YOUR MEMBERSHIP ...

- provides you with access to the services of the BioNanoNet GmbH
- gives you access to high-level competence and experience in the acquisition of projects, thus minimizing time and costs
- allows you to represent your interests during the development of national and international research strategies and research programmes (HORIZON 2020 ERA.NET)
- allows you to create and design research strategies and research programmes
- provides you with information about research programmes and promising project consortia
- can help you develop project ideas
- provides support in initiating grant applications
- allows you to join regular workshops to define your strategic goals and requirements
- puts you in contact with European leaders in the fields of nanotoxicology and nanosafety

BIO NANONET

- Your internationally recognized platform
- Your professional representative at national and international exhibitions and conferences
- Your partner for scientific expertise

We...

- develop potential solutions,
- provide you with a competent scientific project team, and
- professionally coordinate your project

REFERENCE ACTIVITIES

BIO NANONET ASSOCIATION

Nanotoxicology

Sensortechnology

Health, Safety, Medicine
incl. nanomedicine and nanosafety

Tiny particles, huge impact!

**Benefit from your
BioNanoNet membership!**

YOUR MEMBERSHIP

You have the possibility to become a gold, silver, standard or also an extraordinary member!

YOUR PROFILE INCLUDES

- Your scientific expertise in one of our scientific fields
- Your active participation in our network
- Your ideas and skills, which can be used to create synergies with multidisciplinary experts
