

15th NanoTrust Conference – Vienna, September 14th 2023

„Innovation and Governance of Advanced Materials“

Austrian Academy of Sciences Campus, Bäckerstraße 13, 1010 Vienna

9.00	<i>Registration</i>
9.30	<i>Welcome and overview</i>
THE STAGE: TECHNOLOGY ASSESSMENT AND EMERGING TECHNOLOGIES	
10.00 – 11.30	<p>Keynote I MICHAEL DECKER (ITAS): Emerging and enabling technologies. A challenge for technology assessment</p> <p>Keynote II DOUGLAS K. R. ROBINSON (OECD): Strategic intelligence for technology governance and policy: new requirements?</p>
11.30 – 11.45	<i>Coffee break</i>
RISK GOVERNANCE	
11.45 – 13.00	<p>ANDRÉ GAZSÓ (ITA-OAW): TA long-term projects and emerging technologies</p> <p>DANIELA FUCHS (ZSI): Engaging for safe(r) technologies and materials – the contribution of social innovation and technology assessment</p> <p>MARIE-VALENTINE FLORIN (IRGC, EPFL): Risk management of emerging technologies</p>
13.00 – 14.00	<i>lunch</i>
ADVANCED MATERIALS RESEARCH	
14.00 – 15.00	<p>ANNA PAVLICEK and FLORIAN PART (BOKU): tba</p> <p>ANDREA HAASE (BfR): Nanocarrier and advanced materials research strategy</p>
15.00 – 15.15	<i>Coffee break</i>
ADVANCED MATERIALS REGULATION	
15.15 – 16.15	<p>THOMAS JAKL (BMK): Models and approaches for tailored governance in selected policy-areas in Austria, with a special focus on Chemicals Policy</p> <p>HUBERT RAUSCHER (JRC): Safe and sustainable by design chemicals and materials – current state of play</p>
16.15 – 16.30	<i>Wrap up and end of conference</i>
18.00 – 22.00	EVENING EVENT: 15 years of NanoTrust – 10 years of the Austrian Nanoinformation Commission (NIK)
